

**ORIGINAL PASSAGE** | People crowd to enter the open door. They rush to find a seat. Many are left to stand when all the seats are taken. The vehicle jerks forward at a high velocity, causing the standers to lurch. They tighten their grips on the straps hanging from the ceiling. Although it's daytime, the view out the windows is pitch black. Only lights inside the vehicle keep it from being totally dark.

**PROMPT** | *Where does this scene take place?*

## BASIC CONSTRUCTED RESPONSE

PROVIDE INFERENCE, TEXT EVIDENCE, AND AN EXPLANATION.

This scene takes place in an underground subway train. The text states that the standers "lurch" and "tighten their grips" on the ceiling straps. The text also states that, despite it being "daytime," the people inside the vehicle see only "pitch black" out the windows. These details prove this is an underground subway train because it's a fast moving vehicle that travels in a dark tunnel.
