

WRITE CONSTRUCTED RESPONSES WITH

A BASIC RESPONSE

Me

Repeat key words from the question and provide a general answer/ inference. (Avoid using *because*.)

Author

Cite **ONE** specific detail from the text to support the answer/inference.

- The text states...*
- According to the passage...*
- One example from the text...*
- The author states...*
- In paragraph _____, it said...*
- In stanza _____, it states...*
- The graphic shows...*
- Based on the visual clues...*

Author

Cite a **SECOND** specific detail from the text to support the answer/inference.

- The text also states...*
- A second example from the text...*
- The author also states...*

Me

Restate the answer/inference.

- This shows...*
- This demonstrates...*
- These details prove...*

Add a transition

- because... so... since...*
- as a result... and... consequently...*

Provide a personal definition/ interpretation of the answer/inference.
