

# Readers make Inferences

? + Reading Voice SAYS + Thinking Voice MEANS = Inference

detail detail detail  
I'm thinking... new idea

**Patterns**  
These go together because...

**Memories**  
It makes me think that...

**Relationships**  
When this happens, so does...

**Inference**

LESSONS 1-2

# Readers make inferences & explain them in writing.

**Patterns**  
**Memories**  
**Relationships**

detail detail detail detail

**Inference**

**Inference**

The text states...  
Proof of this is...  
A second example...  
The text also states...

detail = evidence  
detail = evidence

LESSONS 3-4

**Readers  
make**

**infer  
inferences**

+ = +
